What are Civil Rights?

 - *Prohibits discrimination based on race, color, and national origin*
- **Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973**
 - *Prohibits discrimination based on disability*
- **Title IX of Education Amendments of 1972**
 - *Prohibits discrimination based on sex under any education program or activity that is receiving federal financial assistance*

Protected Classes

Federal law prohibits discrimination in Child and Adult Nutrition Programs based on:

Race
Color
National Origin
Age
Sex
Disability

Reprisal or retaliation for prior civil rights activity

All participants must be allowed equal opportunities to participate in CN programs regardless of race, color, national origin, sex, age, or disability, gender identity, religion, reprisal, political beliefs, marital status, familial or parental status, sexual orientation, individual's income derived from any public assistance program. Federal Law defines the ages of children who can participate in the Summer Food Service Program and the Child and Adult Care Food Program. The Age Discrimination Act requires that all children (as defined by federal law) are treated equally in these programs. The Age Discrimination Act does **NOT** mean that meals served to populations outside the required age ranges are eligible for reimbursement.

What is Discrimination?

The act of distinguishing one person or group of persons from another, either intentionally, by neglect, or by the effect of actions or lack of actions based on their protected class.

All participants must be treated in the same manner (i.e. seating arrangements, services and facilities, assignment of eating periods).

Examples of discrimination in a CN program:

1. Students whose first language is Spanish are required to sit at a "Spanish-speaking" table for meals
2. Leftovers at the end of the meal service are only offered to the boys
3. Selectively distributing outreach materials

Civil Rights Training

Sponsors are responsible for training staff on an annual basis. At the end of the training, staff:

- Should be able to identify a civil rights complaint if received.
- Should know what to do if they receive a complaint.
- Should understand that it is the basic right of the individual to file a complaint.
- Programs must ensure all employees receive civil rights training annually.

Public Notification System

All sponsors and their sites must display in a prominent place the “And Justice For All”, nondiscrimination poster.

(Poster display is not required for child care homes in Colorado)

Provide informational materials in the appropriate translation as needed.

Nondiscrimination Statement

Include the non-discrimination statement on **all** materials that mention USDA programs (including websites).

A nondiscrimination statement is not required to be imprinted on items such as cups, buttons, magnets, and pens that identify the program, when the size or configuration makes it impractical.

Also...

When using graphics, reflect diversity and inclusion.

Reasonable Accommodations

Sponsors must make reasonable accommodations for persons with disabilities.

All sponsors participating in Child and Adult Care Food Programs are *required* to provide FOOD SUBSTITUTIONS or MODIFICATIONS if:

- ✓ A medical authority's* statement is on file that describes the participant's medical need that prevents the participant from eating the regularly offered foods, and...
 - ✓ The medical authority has indicated the substitutions or modifications that the participant needs.
 - ✓ If the participant is **not** disabled, the provider **may** make food substitutions at their discretion. **The Medical Statement or Special Diet Statement from the medical authority must be kept on file at the center and/or school with a copy being provided to the sponsoring agency.**
- *Medical Authority: an individual licensed to write prescriptions in the State of CO or WY.**

Limited English Proficiency (LEP)

- Definition: Individuals who do not speak English as their primary language and have a limited ability to read, speak, write, or understand English.

All organizations receiving Federal financial assistance have a responsibility to take "reasonable steps" to ensure meaningful access to their programs and activities by persons with LEP.

CACFP programs that fail to provide services to Limited English Proficiency (LEP) potentially eligible persons, applicants, and participants, or deny them access to federally assisted programs and activities, may be discriminating on the basis of national origin in violation of Title VI.
